## POLYPROPYLENE LIP & TAPE BAGS

Made from 100% virgin Polypropylene. These are designed with superior clarity and moisture barrier properties, making them ideal for retail applications requiring enhanced product presentation or to keep food items fresh. All bags feature a resealable lip & tape closure and a side weld construction. Available in cases.

### PRODUCT FEATURES

- ▶ 1.6 mil polypropylene with 1.5" lip
- ▶ 4 Vented sizes
- ▶ Resealable
- ▶ Meets FDA and USDA specifications
- ▶ Custom sizes available
- ▶ Pristine clarity

### TECHNICAL DETAILS

Made from a performance blend of Polypropylene. Available in reclosable, layflat, gusseted, lip & tape and wicketed constructions. All bags feature a side weld construction and gusseted bags feature a bottom seal construction. These meet FDA/USDA specifications. Available in cases.
